27 September 1976

RECIPIENT FOR: Director of Personnel  
ANNUALITY: : Other, Benefits and Commodity Division 25X1A9a  
SUBJECT: : Death Claim of [REDACTED] Project AQUARIUS  
Under GSAC Coverage

1. This is to advise you formally of the existence of a death claim under the GSAC coverage held by [REDACTED] a participant in Project AQUARIUS. [REDACTED] whose application for GSAC coverage was dated 14 March 1970, was accidentally killed on 27 September 1976 under conditions that do not entitle him to double indemnity payment.

2. Because security considerations preclude providing details of the incident, this communication shall constitute certification that death occurred on the date specified, to the manner stated and under conditions other than those qualifying for double indemnity payment. There is on file in this office a valid death certificate for [REDACTED] containing information of a classified nature not suitable for forwarding outside Project AQUARIUS.

3. It would be appreciated if steps were taken to process this claim for payment to the designated beneficiary through the intermediary of the Benefits and Commodity Division. Questions arising in connection with the filing of this request for payment of the death claim may be referred to the undersigned or to [REDACTED] Deputy Director of Administration, Project AQUARIUS.
